

COVID-19 DANCE SAFE PLAN

1 SAFE NUMBERS

We are adhering to CDC guidelines by limiting class sizes according to the room sizes

2 KITCHEN & STUDENT AREAS CLOSED, LOBBY RESTRICTED

Our kitchen and student lounges will be closed. Our lobby and waiting areas will be limited to 1 parent for dancers age 6 and younger. Parents of dancers 7 and older will be asked to drop off and pick up. Parents will have accessibility to view classrooms from their phones. We will re-open our lobbies as soon as it is safe to do so.

3 CLASS END TIMES

Classes will end 5-6 minutes early during heavy traffic transition times in order to allow our staff to sanitize the studios properly. A deep clean will be done daily when we are closed to ensure KDS is in compliance with CDC protocols

4 HAND SANTIZER

Hand sanitizer is provided in every room. Dancers and staff will be asked to sanitize their hands upon entering and exiting the studio

5 TEMPERATURE CHECKS

Dancers and staff will have their temperature checked using a contactless thermometer. Anyone with 100.4° or above will not be permitted to remain on-site. Please do not come to class if you are not feeling well or have symptoms

6 FACE MASKS

Everyone is required to wear a mask upon entering and exiting the building and in common areas. Wearing a mask in dance class is optional. Piano students will need a mask and voice students a face shield.

7 SOCIAL DIS-DANCING

Dancers are asked to stay socially distanced in the hallways and in the studio. Social distance markings have been placed in the dance rooms

8 HAVE FUN!

We WILL be dancing, learning, being as safe as possible, and having fun! Our focus will always be on the safety of our dancers and families while maintaining a positive learning environment
